Catholic Identity and Religion Programs

Catholic Schools Week has concluded. There will be discussion of ideas to increase new student exposure next year, perhaps in lieu of an “open house.”

Betty Manion is coming to the school to do an elementary retreat with the students. The theme is Hope and Lent.

Mrs. Cullen is coming Friday, 02/23/18, to show all students a PowerPoint presentation of her medical mission trip.

Student led Bible Study throughout the school has begun. This is teaching the students to lead with their faith and discipleship.

Marketing and Enrollment

Roughly 70% of existing students are enrolled for next year, and the marketing focus will be on early childhood.

Follow Up and Miscellaneous

Safety Committee Update: We started the “Quick Think” drills with the students. Safety procedures will be posted in the office.

A letter was sent out to middle level parents showing MAP winter score results. 98% of our students showed growth from fall – winter.

An updated “Teacher Wish List” was shared. (3) shelving units for the middle school level will be purchased.

6:25pm Treasurers Report:

Jaris Briski

Fundraising is at or above goal on all third-source funding year to date. Final numbers from the auction should be available for the March meeting.

7:06pm Closing Prayer:

John Stefl

Next SAC meeting to be held Thursday, March 22, 2018.
